If your child should receive a minor injury, they will be given first aid and you will be notified at pick up.

HEALTH & SAFETY POLICY

If your child has a known medical condition (asthma, diabetes, seizure disorder, food allergy, etc.), we need to be informed. Please identify the medical condition and or medication on the enrollment form in the applicable areas. If your child takes medication or has a specific need, you will be required to have your child's physician fill out an Individualized Care Plan. The plan outlines what should be done if a problem should occur during program hours. Please make sure that any medication is available and that the appropriate information has been provided to us in writing, with instructions for us to follow in the event of emergency.

USE OF MEDICATION

Medicine must be kept at the Club in a secure area – members are not allowed to keep their own medications, except in certain, medically necessary circumstances.

The Club cannot administer any medication to any member, except in life-threatening situations. Members requiring medication during Club hours must self-administer medicine in the presence of a staff member. To accomplish this, a member must be able to read the instructions for the medication as well as dispense and take the correct dose. Further, the member must have previously taken at least one dose of the medicine away from the Club to help ensure

BOYS & GIRLS CLUBS

members will not have unexpected reactions to medicine at the Club. Club Staff must be thoroughly apprised of any possible reactions to and the storage needs of the medicine. To ensure this process occurs, a meeting must be arranged with the Club Director before any medicines are brought to the Club.

Additionally, a member must present a physician's order for us to file on all medications. All medication must be delivered to the Club Director in the original packaging or prescription bottle. **This includes non-prescription medicine such as Tylenol.** Prescription medication must be in its original container, with current label, and physician's instructions for administration. Any medication or medication containers not collected by parent/guardian will be thrown out upon expiration or membership lapse.

the building for member check-out. If you arrive before the bus to pick up your child, they must still enter to building to check in before they leave with you. Please do not call to request your child to get ready for pick up or to meet you in the parking lot. Safety is our number one priority at Boys & Girls Club and Club members will not be permitted to leave the Club unless the parent/guardian has authorized in the enrollment form that the Club member can leave the Club on their own volition.

Only authorized adults may pick up members and they will be required to show a photo ID.

Even as staff gets to know authorized adults, we will run random ID checks on all persons picking up members. To ensure the safety of our members, persons dropping off and picking up children are asked to park in a designated parking spot and come into the building to pick up their child. Please do not stop or park in front of the ramp, behind parked cars, or in the travel lane for traffic.

It is Club Policy that members be picked up on or before Club closure time. If a caretaker arrives after Club closure they may be subject to a late fee of \$1.00 (per member) for every minute after the Club closure time.

BOYS & GIRLS CLUBS
OF TOPEKA

DISCIPLINE POLICY

Membership in the Club is a privilege, and the focus of our programs is impacting our members' lives in a positive manner. Members of Boys & Girls Clubs have high standards for their behavior. Acceptable behavior is defined by the following:

- Respect for themselves
- Respect for others
- Respect for staff
- Respect for Boys & Girls Club

While our primary focus in working with members is to acknowledge positive behavior, at times consequences are necessary. As often as possible, Club staff will attempt to use the following methods before resorting to a more formal disciplinary procedure:

- Reminding members that certain behavior is inappropriate and using redirection to positive activities
- Using preventative management techniques and encouraging self-discipline
- Stressing positive behaviors
- Providing an enriching environment to diminish disruptive behavior
- Offering a selection of interesting activities and giving choices
- Changing environments (i.e. removal from program) before behaviors escalate
- Facilitating the settlement of disputes versus intervening
- Letting children experience the consequences of their actions when appropriate

BOYS & GIRLS CLUBS
OF TOPEKA

- Establishing mutual respect

We ask parent/guardians to please let us know if anything exceptional or unusual is happening at home or in other aspects of the child's life. Having this information will help us when working with your child(ren).

Occasionally, misbehavior is so severe or repetitive that additional steps must be taken. In these cases, a progressive discipline policy will be implemented. When this occurs, the Club Staff will select an appropriate level of discipline. Those levels include the following:

Verbal Redirection - Club staff will ask the member to choose a different behavior and give them logical consequences for failure to comply. (i.e. apology, sitting out for a period of time, leaving the area, etc.)

Think Time - Required time away from the group to reflect on how positive choices could have changed outcomes, also time to refocus and regain self-control.

Written Warning - Member's behavior is formally documented and parents/guardians are notified of the member's behavior. Written warnings are given to ensure parents/guardians know that continued behavioral issues may result in future suspension.

Suspension - Member is removed from Club programs for 1 or more days. The Club may also include certain requirements for a member to return to the Club.

**BOYS & GIRLS CLUBS
OF TOPEKA**

Suspension/Termination of Membership - May result in response to continued inappropriate behavior. The Club Director and any member of the Senior Management Team are the only staff persons authorized to suspend members. (Parents will be notified by phone call and/or conference when the child is picked up)

Actions that may result in suspension and/or termination are listed below but are not limited to:

- Violent behavior that may endanger other Club members or staff
- Striking a staff member in any way
- Excessive or abusive language
- Not complying with the Club rules
- Bringing a weapon into the Club or onto Club property
- Fighting
- Theft
- Vandalism or abuse to building property or equipment
- Bullying or harassing of another member
- Excessive arguing
- Anything in the form of sexual misconduct
- Bringing illegal drugs/alcohol into the Club
- Attending the Club while under the influence of an illegal drug and/or alcohol
- Excessive continual suspensions could lead to termination of membership

BOYS & GIRLS CLUBS
OF TOPEKA

Any level of disciplinary action may occur on the first offense or any subsequent offense depending upon the nature of the situation and the age/maturity of the member involved. Each member shall be informed of the offense and shall be afforded an opportunity to explain his/her behavior before disciplinary action is taken.

WHAT WE NEED FROM YOU AS A PARENT/GUARDIAN

Club staff will use training, and support to act in a manner that helps to deescalate members' behavior. This will be done in a manner that is mindful of the individual, responsive to the specific situation, and done with respect, care, and concern for the child. Staff will interact with parents/guardians in the same regard. As a parent/guardian, it is expected that conflicts/challenges/concerns are addressed with Club staff in a manner that is mutually respectful. Staff will not be yelled at, threatened, or demeaned by parents/guardians. Every effort to reach an agreement should be done with reasonable attempts made from both sides (staff and family). In the event that this does not happen, parents/guardians will be addressed via the senior management team regarding resolution to the problem.

The Club is frequently confronted with conflicting requests from the parents of our members – parents who may be separated or divorced, parents may argue about who is to deliver or pick up the child, parents may demand that the Club prohibit one or the other from taking the child

It is our policy to deliver the child to either parent, guardian, or authorized caregiver unless a court order regarding the subject is presented to the Club directing us to act in a specific manner. In addition, the Club will not disclose attendance information contained on our membership tracking

BOYS & GIRLS CLUBS
OF TOPEKA

system without an order from an appropriate court requiring us to do so.
